

DUOTM

All new. Better in every way.

Timing gates re-imagined for uncompromising quality, ease-of-use & accuracy

We have called upon 25 years experience to design a world class dual-beam timing system that delivers value for money without compromising on the features you want.

DUO™ brings to you the **most accurate** and **hassle-free** testing and training experience ever.

Ideal for tests like:

- 40 Yard Dash
- 20 Yard Shuttle [5-10-5]
- 3 Cone Drill
- 60 Yard Shuttle
- Reactive Agility - COD
- 3/4 Court Sprint
- Lane Agility Drill
- 5-10-5 Shuttle
- YO-YO Test
- 30 Yard Dash

-  Wifi connection directly to gates, no hubs, links or routers to keep track of
-  Dual beam gates for higher accuracy
-  Laser Alignment pointer for fast setup
-  Drag and Drop test designer
-  Wireless charging
-  8 hour battery life
-  Split system Multi Zone testing
-  Swift reliability
